

Drought Emergency Term Permit Monthly Water Use Record

This monthly water use record must be maintained as a condition to the approval of your Drought Emergency Term Permit. This document must be kept up to date and available for inspection by DWR staff upon request. Records must be maintained starting with the month during which the Drought Emergency Term Permit was approved. Any meter malfunction must be reported immediately to the appropriate field office and you must maintain records to clearly establish your water use during any malfunction period.
